

# 2019-20 Student Survey Questions

Dear Student,

We want to know what YOU think!

Your school district invites you to participate in the 5Essentials Survey. In this survey, you will be asked questions about your classes and homework, interactions with your teachers and classmates, and school safety.

This is NOT a test and there are NO wrong answers. Your answers are confidential and will not be shared. However, your responses will be combined with those of other students in your school to inform your school about what students in your school think, do and experience.

Your participation in this survey is voluntary. Therefore, you may skip any question that you do not wish to answer and may discontinue participation at any time without penalty.

This survey should take you 30 minutes or less to complete.

Remember, this is your chance to help improve your school - Don't pass it up!

Thank you for your help.

Sincerely,  
UChicago Impact
